1. During the latter part of October 1951 the Soviet frontier authorities constructed a barbed wire fence in front of the Soviet frontier post of Kaluz. This fence is located only 10 to 15 meters from the Iranian post of Khuda Afarin ($39^{\circ}09'N$ $46^{\circ}56'E$).
2. This construction represents a violation of Iranian territory by several nations. However, the Iranian authorities have made no official protest.
